## Light Plant Moved.

Mr. Sides, owner of the Jasper electric light plant, has erected a building of his own back of the Rice & Lowe garage, to which he moved the engines and other machinery last week. The town was in darkness for several nights, and Jasper looked like old times sure enough. Mr. Sides says he expects to give Jasper a good light service from now on.

J. C. Statter's Poland China hog sale at Powers' barn in Jasper, Saturday, September 11, beginning at 1 o'clock.

On account of the heavy rain Monday night the Woodrow sale, scheduled for Tuesday, was postponed until next Monday, the 13th instant, commencing at 10 a. m., at which time Woodrow Bros. will sell 63 head of cattle including 21 head of milk cows; 6 head of horses and 1 head of spotted Poland China hogs. The sale will take place at the Woodrow farm 3 miles northeast of Jasper.

T. H. B. Bell's sale of 50 pure bred spotted Poland China hogs will take place at Powers' barn in Jasper, Wednesday, September 22.

## Farm Sales and Changes

Several farm sales were made last week and other changes made.

Mr. Leighty and family moved to town and C. W. Bedell and family moved to the Leighty farm, which they bought recently. S. N. Dewees, from near Springfield bought the Bedell farm and moved onto it.

Frank King sold his farm, southwest of Jasper, to T. H. Tiller. Mr. and Mrs. King will go to California this fall to reside. They have been residents of this section many years and their friends will regret their departure.

Mrs. Fannie Ray of the Lebanon neighborhood sold her place to R. H. Harris. Mr. Harris will remain where he is on his father's place and has rented the Ray farm to A. J. Dean of the Zion neighborhood. George Wise has rented the place vacated by Mr. Dean.

Mrs. Ray has not announced her plans for the future.

A. W. Schott sold his farm southwest of Jasper to a man named Callahan from near Carthage, we are told. It is reported that Mr. Schott has a notion to try Canada as a place of residence.

## Old Glory Sought.

Among all the country schools that commenced work this week in Jasper and Barton Counties we have not heard of one that flies the Stars and Stripes over its building, and the same may be said of some town schools that boast of their advancement and progress.

Is there any better place than in the schoolroom to teach patriotism and a love for the beautiful banner that stands for so much now and has meant so much throughout the history of our country to the citizens of it? Is there any place where one might more expect these things to be taught than in the public school?

One of the first objects in the city schools that is brought to the notice of the foreign-born child, whose parents have sought a home under this flag because they believe the beautiful Stars and Stripes guarantees to them something more than they had in their homes beyond the seas, is the flag itself, and that they will be expected to honor it, love it and protect it from dishonor if they are to become real Americans.

The United States flag ought to float over every schoolhouse in the land—in country and town alike. The beauty of its fluttering waves of red, white and blue in the morning air ought to greet every boy and girl in the land as they approach the schoolhouse, and if the teacher does not teach the meaning of that flag to these young minds that teacher has not taught enough. The flag is the best friend the public school ever had.

## Early Morning Wedding.

Miss Helen Triplett second daughter of Mr. and Mrs. D. H. Triplett, of South Main street, was united in marriage Tuesday morning at 8 o'clock, at the home of her parents, to Mr. R. C. Journey of Columbia, Mo.

The bride is a very talented young lady, a graduate of the Carthage high school of the class of 1912, and she is now student at Columbia University, where her husband is one of the faculty. Mr. Journey is a son of Mr. and Mrs. J. B. Journey of Nevada, Mo. He is a graduate of Columbia, having attained the degrees of B. A. and M. A. and is now teaching political science at his Alma Mater.

The ceremonial rites were performed by Rev. John R. Blythe in the presence of the family and immediate relatives. Mr. Blythe is a son-in-law of Mr. and Mrs. Triplett, having married their eldest daughter. They reside at Calhoun, Mo.

The out-of-town attendants at the wedding, besides Mr. Blythe were W. D. Dale and wife of Milo, J. S. Nichols and wife of Lamar, and Master Chester Blythe of Calhoun.

## Alpha Club Receives.

## MRS. ROBERTS PASSES AWAY

**Death Comes to Wife of O. E. Roberts after Long Illness**

Mrs. Eugenia Roberts, wife of O. E. Roberts of Jasper and only daughter of Mr. and Mrs. C. I. Manley of Aurora, passed quietly away at 9:50 o'clock Tuesday night, September 7, after an illness of many months. She was 34 years, 11 months and 4 days old at the time of her death. Everything that the loving care of her husband, parents and friends could suggest was done for her, but all to no avail, and her untimely death brings the deepest sorrow to her devoted husband and little daughter Pauline, her parents who have constantly attended her during her long illness, and very many friends here and elsewhere.

Mrs. Roberts was a most lovable woman, her splendid personality drawing hosts of friends to her. She has been known and loved here since her early girlhood, and probably no other young woman has been more popular among all the people. Her passing indeed brings universal sorrow.

The funeral will be held at the home this (Thursday) afternoon at 2:30, interment taking place at the Jasper Cemetery.

## Electric and Rain Storm.

The heavy rains prevailing over this section of Missouri and Kansas the early part of the week struck Jasper Monday night. Probably the heaviest rain of the year fell here accompanied by a heavy electric storm early Tuesday morning. Lightning struck the house occupied by C. L. Purcell and family, tearing a hole in the roof and damaging the plastered walls inside. No one was injured, except that Charley Purcell objects to being awakened from his beauty sleep so suddenly.

All day Thursday the creeks raged, Coon Creek being higher than at any time in the memory of old citizens.

## Going Back to School.

Dr. C. W. Storde departs this week for Kansas City to enter the Kansas City Veterinary College for the coming term. Dr. Storde is a graduate of this college, but since finishing there the school has added another course which the Doctor desires to complete. He says he is pleased with his location here and will return in the early spring.

## O. Thompson Will Judge Horses.
